

Steve Landers, owner of Thunderbird on Saxer Avenue, is an eight year member of the GSBA.

Thunderbird is well known in Springfield for their friendly and experienced staff, the quality and uniqueness of their food, the cleanliness of their store, and their involvement within the community.

Along with his brother and co-owner Joe, and their staff, Steve has transformed Thunderbird from just a “pizza shop” to a place that is quite special and only found in Springfield. They pride themselves in the many menu items they’ve created which have become very successful. To name a few are their #1 selling Speedy Gonzalez Salad, the Dirty Pizza, T-Bird Fries, the Roadrunner Salad, Polynesian Pizza, and their newest additions, the Saratoga Spring Salad, and Boardwalk Style Pizza. Thunderbird continues to work on a variety of new items they are currently experimenting with and will be excited to offer these things in the future.

Steve has also applied his simple but creative approach to catering. Since then, Thunderbird really has become the place to go for Hoagie Trays, Cheesesteak Stations, BBQ Pulled Pork, Party Salads, and a lot more. They will deliver a catering order to almost anywhere in the Philadelphia area, with notice. Their menus can be viewed online at [WWW.THUNDERBIRDPIZZA.COM](http://WWW.THUNDERBIRDPIZZA.COM).

Steve serves on the GSBA board of directors, has had an active role on the St. Patrick’s Parade Committee for 7 years, he volunteers as a panelist on the Delaware County Youth Council, volunteers at and supports Springfield Night Out. He is a notorious supporter of every sports team and organization in town, including the Springfield Fire Company, the Springfield Ambulance Corps, the Springfield Library, the Springfield Police, The Springfield Youth Club, the Springfield AA, The Stephen Stefani Dance Marathon, The High School Post Prom Party, the Springfield Area Education Foundation, among many many others.

Steve is a third generation Springfield resident, and a St Francis of Assisi parishioner. He attended St Francis of Assisi, and graduated from Springfield High School in 1995. He is married with three children.

Being a part of the GSBA has been an invaluable experience for Steve. Networking, learning, and sharing ideas from some of the finest business people and leaders in town has been beneficial beyond measure personally and professionally.
