**Spotlight on GSBA member...**

## **MARK RODGERS**

Mark Rodgers has been a resident of Springfield for over twenty years along with his wife, Jayne. Mark and Jayne have five children ranging from the ages of 32 to 14.

Mark has spent the past thirty two years building his insurance business and is currently an exclusive agent for Allstate. Spending his first twenty years in the life insurance side of the business, Mark decided to expand his business to enable him to provide his customers with a broader range of services. These services include auto, property and business insurance. Mark built his agency from the ground up. His success can be attributed to his consistent follow up, the dedicated hard work of his staff and his sincere interest in helping the people his agency serves.

In addition to his business, Mark is a founding member of the Greater Springfield Business Association, where he served as the president for the first six years of the Associations existence. He is currently the membership chairman. Mark and his family are also actively involved with the Eastern Pa. chapter of the Leukemia and Lymphoma society as well as the Alfred I. DuPont Hospital for

Children. He feels strong about helping these charities because of all the support his family received when youngest son Mark was diagnosed with infant leukemia in 1998. Mark would like to acknowledge the support that the Springfield community had shown to him and his family during that time. He states " It has always warmed my heart how the town of Springfield cared for us during that difficult time, it makes me proud to live in such a great community".

Please feel free to contact Mark Rodgers if you should have a need to review your current policies or have additional insurance needs. The Rodgers Agency can be reached by phone @ 610-583-8040 or by e-mail [markrodgers@allstate.com](mailto:markrodgers@allstate.com).

**Allstate**®

You're in good hands.
